

**Junggu Multicultural Family Support Center** operates Mom & Me School to improve the satisfaction of life in Korea through solving stress and improving recognition with various cultural activities targeting both multicultural families and non-multicultural ones. This school consists of 6 programs: K-pop, Korean dance, literary artist painting, origami, traditional game, piano, and it will be continued to November from April.

It is expected that this program will make start point of integrated culture by setting place of communication between multi/non-multicultural families such as solving stress and improving sensitivity through tailored culture experiencing program by family.

## Child Care Subsidy for Parents of over 2<sup>nd</sup> Child

Incheon supports parents—pay child care tuition monthly from last July when parents send 3 to 5-year-old children to daycare center in Incheon regardless of income. Parents—pay child care tuition means tuition of a daycare center except for the tuition that the government pays. Support tuition for this year is KRW 74,000 for 3-year-old and KRW 60,000 for 4 to 5-year-old children, and children who already have attended the daycare center don't need to have the extra procedure of application. For newly applying children, parents should apply for tuition subsidy to regional community service center and submit documents (Resident Register Copy and Family Relation Certificate) that prove the child is third or more one to the daycare center.
