**Seo-gu Multicultural Family Support Center** is conducting a program (two sessions) for enhancing the parent-child relationship on March 17 (Sat.) and March 24 (Sat.), 2018 for 25 multicultural families with school-age children.

The parent education will help the parents learn about the developmental characteristics and the relationship of emotional expression of the children, figure out their own dialogue type, and acquire the way of expressing and accepting emotions as well as listening to and sympathizing with the children.

The children's program includes making cards (thank you, I'm sorry, I love you), making garlands using family picture, narrating traditional fairy tale, making traditional clothes from around the world using paper, finding the hometown of their fathers and sticking paper dolls on the map, etc.
